Subject: [Non-DoD Source] FOIA request

This office represents the wife and personal representative of the Estate of Charles James who died as a result of being run over by an Army Stryker on 3/13/15 in Anchorage, Alaska due to a brake failure, during a move of the Stryker from a Tote Inc. ship to an Alaska Railroad flat bed car, for shipment to Fort Wainwright. Attached is a copy of the DD form 1384 that authorized the shipment, that we received from Tote.

Pursuant to FOIA we request that you provide us with the following information:

1. where this Stryker originated from on this move.
2. and whether it was from an Army base or a federal contractor site.
3. the modes of transportation that were used to transport this vehicle from its point of origin to a port for ocean transport.
4. the names of all contractors involved in the transportation from the point of origin to Alaska.
5. Whether General Dynamics personnel were present during any of the transportation links, including transfer from the Tote Ship in Anchorage to
