On July 28, 2017, Carlos A. Alvarado, FOIA Officer, AMSSD-IMO-B, 1 Soldier Way, Scott AFB IL 62225-5006, wrote that he was referring our FOIA request to our offices to answer our updated request for information and documents. Please advise if you got our FOIA request and your progress if any in answering the FOIA request. I have enclosed the email string with Alvarado and attached the documents we referred to in our last exchange with him
