Subject: Request for Status update on 2017-ICFO-45386 and 2018-ICFO-03033

Hello Mr. Bittner,

I am writing concerning two ICE FOIA requests. The first, Request 2017-ICFO-45386, was received by ICE on August 15, 2017 and was estimated to be completed by October 2, 2017. However, despite numerous emails to the ICE FOIA department and a response indicating "this request has been assigned to an analyst for processing," no updates have been given as to the status of the request and when I can expect the documents.

The second, Request 2018-ICFO-03033, was received by ICE on September 29, 2017 and was expected to be completed on November 22, 2017. This deadline has passed and I have not received an update. Please let me know when I can expect the completed requests delivered to me.

Thank you for your help.

Best,
