Subject: Mtg request - Foreign Minister of Moldova
Attachments: CV Tudor ULIANOVSKI[3].DOC

Dear Jen:

The Foreign Minister of Moldova, Tudor Ulianovschi, will be visiting Washington on Wednesday, January 31st and we would like to request a meeting with the Senator. Given Senator Johnson's Chairmanship of the European subcommittee of SFRC, Minister Ulianovschi would be honored to have an audience with him.

The purpose of the meeting is to discuss the bilateral relationship between the U.S. and Moldova, the reforms being undertaken by the coalition government to align Moldova more closely with the west, as well as the continued Russian interference in Moldova.

The current pro-western Moldovan government has undertaken significant reforms over the past two years in an effort to move Moldova closer to the E.U. and the U.S. The coalition government is working to implement a broad set of reforms across the government, including public administration and the judicial, banking, and agriculture sectors, as well as enacting new public integrity laws to fight corruption. As importantly, Moldova is combatting Russian interference throughout the country on several levels.

Russia wants to stop Moldova's move towards the west. Not only does Russia have 10,000 troops amassed on the country's eastern border in Transnistria, but also there is a concerted and ongoing effort to undermine western values through Russia's sophisticated propaganda efforts.

Foreign Minister Ulianovschi will be in Washington on the afternoon of Wednesday, January 31st and would welcome the chance to meet with the Senator.

Please let me know what other information I may provide to you. And please know how much I appreciate your consideration of this request.

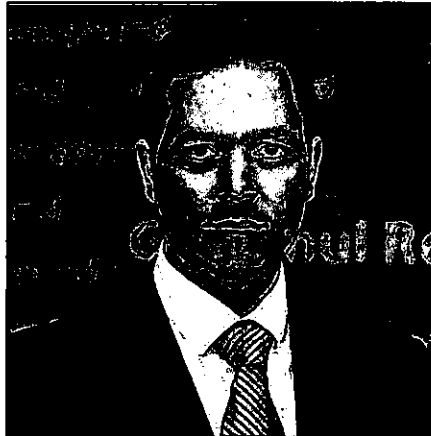

Sincerely,
Todd Webster
