**Subject:** RE: FOIA Request

Dear Ms. King,

This email responds to your inquiry by telephone yesterday concerning the scope of the October 8, 2015 FOIA request reproduced below.

Requester hereby narrows the scope of this FOIA request to the following specific categories of records concerning the “comprehensive review of the TSGLI program as it approaches its 10th year anniversary” (hereinafter, “Review”):

- records that set out or reflect the timing of the Review (e.g., when started, when to be completed);
- records that set out or reflect which individuals are conducting and/or participating in the Review;
- records that set out or reflect the scope of the Review;
- records that set out or reflect any decision or intention to include, not include, or consider including, in the Review any consideration of the issues raised in the Petition for Rulemaking by Army First Sergeant Hugh Campbell McKinney, Retired, to Amend 38 C.F.R. § 9.20 Governing Traumatic Injury Protection Provided by Statute at 38 U.S.C. § 1980A submitted to the VA on March 16, 2015 and denied by the VA by letter dated August 6, 2015;
- records that set out or reflect the planned reporting of any observations, results, conclusions, and/or recommendations arising from the Review (e.g., will a formal assessment be compiled and distributed, and if so, to whom and will the assessment, or any portion or summary thereof, be made public);
- records that set out or reflect any decision to limit the Review to being “internal” (e.g., not seeking public comment and/or involvement, and no notice to the public that the Review is being conducted);
- records that set out or reflect which veterans and military service organizations (VSOs), if any, have been included, or will be included, as participants in the Review, and the extent of their involvement (e.g., are the opinions of VSOs being sought or otherwise offered in connection with the Review; are VSOs participating in any meetings concerning the Review);

- records that set out or reflect any communications between the VA and any non-government entities or individuals, including but not limited to the VSOs, concerning the Review (requester expressly excludes communications solely between VA/DoD and Prudential concerning any review of Prudential's role in the administration of the TSGLI program); and
- records that set out or reflect any communications between the VA and Congress (including but not limited to any member of Congress, committee thereof, or staff member) concerning the Review.

If the above specific categories of documents remain too broad and would capture an onerous number of documents, please let me know and requester will consider further narrowing the scope of this FOIA Request.

Thank you.

Sincerely,

Seth A. Watkins

On behalf of our client Hugh C. McKinney, we hereby request copies of the following records under FOIA, preferably sent to the requester's undersigned attorney by email in electronic format (pdf):

- all records in any way concerning or relating to the "comprehensive review" referenced in the statement "**VA, in consultation with DoD, is currently conducting a comprehensive review of the TSGLI program as it approaches its 10th year**

**anniversary in December 2015 to ensure that the program is operating effectively and meeting the intent of Congress,”** which statement was made on page 2 of the attached letter from Robert L. Nabors II of the U.S. Department of Veterans Affairs to Seth A. Watkins, dated August 6, 2015, concerning denial by the VA of the Petition for Rulemaking by Army First Sergeant Hugh Campbell McKinney, Retired, to Amend 38 C.F.R. § 9.20 Governing Traumatic Injury Protection Provided by Statute at 38 U.S.C. § 1980A (note that the denial of the rulemaking petition is the subject of a Petition for Review filed on behalf of petitioner/requester with the U.S. Court of Appeals for the Federal Circuit on October 5, 2015, *McKinney v. We hereby consent to pay all costs incurred for search, duplication and review of materials up to \$250.00. If additional costs will be required, please contact me for my approval.

Please respond within 20 business days in accordance with 5 U.S.C. § 552(a)(6)(A).

If you have any questions about this request, please contact me immediately by the means listed below.

Thank you for your assistance with this matter.

Sincerely,
