RE: USAID FOIA No. F-00300-17

Dear Ms. O'Connor:

This acknowledges receipt of your September 27, 2017, Freedom of Information Act (FOIA) to the United States Agency for International Development (USAID). Specifically, you requested:

(1) All communications, meeting notices, meeting agendas, informational materials, draft legislation, talking points, or other documents received by representatives of USAID from, sent by representatives of USAID to, or exchanged between representatives of USAID and representatives of the Susan B. Anthony List, Concerned Women for America, the Heritage Foundation, and/or the Center for Family and Human Rights (“C- Fam”) regarding the January 23 presidential memorandum reinstating the Mexico City Policy,¹ or the Department of State’s May 15 “Protecting Life in Global Health Assistance” plan implementing the policy.

(2) All calendar entries reflecting meetings between representatives of USAID and representatives of the Susan B. Anthony List, Concerned Women for America, the Heritage Foundation, and/or C-Fam regarding the January 23 presidential memorandum reinstating the Mexico City Policy, or the Department of State’s May 15 “Protecting Life in Global Health Assistance” plan implementing the policy.

(3) All communications, meeting notices, meeting agendas, informational materials, draft legislation, talking points, or other documents received by representatives of USAID from, sent by representatives of USAID to, or exchanged between representatives of USAID and representatives of the Department of State, the Department of

Health and Human Services, and/or the Trump White House regarding the January 23 presidential memorandum reinstating the Mexico City Policy, or the Department of State's May 15 "Protecting Life in Global Health Assistance" plan implementing the policy.

(4) All calendar entries reflecting meetings between representatives of USAID and representatives of the Department of State, the Department of Health and Human Services, and/or the Trump White House regarding the January 23 presidential memorandum reinstating the Mexico City Policy, or the Department of State's May 15 "Protecting Life in Global Health Assistance" plan implementing the policy.

(Date Range for Record Search: From 1/20/2017 To 9/27/2017).

In addition to the records requested above, you also requested records reflecting the processing of this request, including any tracking sheets; records sufficient to identify search terms used, and locations and custodians searched. If your agency uses FOIA questionnaires or certifications completed by individual custodians or components to determine whether they possess responsive materials or to describe how they conducted searches, and any such records prepared in connection with the processing of this request. You also requested a fee waiver.

Fee Waiver

The FOIA provides that fees should be waived or reduced if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations and activities of the government and is not primarily in the commercial interest of the requester. As a member of the media, the only applicable fee is duplication. Duplication is \$0.10 per page, but the first 100 pages are free. After review of the fee waiver criteria, your fee waiver request is moot. Since the only applicable fee is duplication, and USAID routinely furnishes responsive records to FOIA requesters in electronic format, it's most likely there will be no duplication fees to assess.
