

Exhibit 5

U.S. Department of Justice

Federal Bureau of Investigation
Washington, D.C. 20535

December 12, 2017

MS. RACHEL DE LEON
THE CENTER FOR INVESTIGATIVE REPORTING
SUITE 200
1400 65TH STREET
EMERYVILLE, CA 94608

FOIPA Request No.: 1389729-000
Subject: 044A-NO-49207
(1965 to March 2016)

Dear Ms. De Leon:

Please be advised that "unusual circumstances" apply to the processing of your request. See 5 U.S.C. § 552 (a)(6)(B)(iii). "Unusual circumstances" include one or more of the following scenarios:

There is a need to search for and collect records from field offices and/or other offices that are separate from the FBI Record/Information Dissemination Section (RIDS).

There is a need to search for, collect, and examine a voluminous amount of separate and distinct records.

There is a need for consultation with another agency or two or more DOJ components.

These "unusual circumstances" will delay our ability to make a determination on your request within 20 days (excluding weekend and legal public holidays). Additionally, the payment of pertinent fees may apply to your request. See 5 U.S.C. § 552 (a)(4)(A)(viii).

The application of "unusual circumstances" is not a determination of how the FBI will respond to your substantive request, this letter provides notice that these "unusual circumstances" apply to processing and delay the determination of your request. See 5 U.S.C. §§ 552 (a)(6)(A)(viii); (a)(6)(B).

You have the opportunity to reduce the scope of your request; this will accelerate the process and could potentially place your request in a quicker processing queue. This may also reduce search and duplication costs and allow for a more timely receipt of your information. The FBI uses a multi-queue processing system to fairly assign and process new requests. Simple request queue cases (50 pages or less) usually require the least time to process.

Please advise in writing if you would like to discuss reducing the scope of your request and your willingness to pay the estimated search and duplication costs indicated above. Provide a telephone number, if one is available, where you can be reached between 8:00 a.m. and 5:00 p.m., Eastern Standard Time. Mail your response to: **Work Process Unit; Record Information/Dissemination Section; Records Management Division; Federal Bureau of Investigation; 170 Marcel Drive; Winchester, VA 22602.** You may also fax your response to: 540-868-4997, Attention: Work Process Unit.

For questions regarding our determinations, visit the www.fbi.gov/foia website under "Contact Us." The FOIPA Request number listed above has been assigned to your request. Please use this number in all correspondence concerning your request. Your patience is appreciated.

You may file an appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, D.C. 20530-0001, or you may submit an appeal through OIP's FOIA online portal by creating an account on the following web site: <https://foiaonline.regulations.gov/foia/action/public/home>. Your appeal must be postmarked or electronically transmitted within ninety (90) days from the date of this letter in order to be considered timely. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Please cite the FOIPA Request Number assigned to your request so that it may be easily identified.

You may seek dispute resolution services by contacting the Office of Government Information Services (OGIS) at 877-684-6448, or by emailing ogis@nara.gov. Alternatively, you may contact the FBI's FOIA Public Liaison by emailing foipaquestions@fbi.gov. If you submit your dispute resolution correspondence by email, the subject heading should clearly state "Dispute Resolution Services." Please also cite the FOIPA Request Number assigned to your request so that it may be easily identified.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Hardy", with a stylized flourish at the end.

David M. Hardy
Section Chief,
Record/Information
Dissemination Section
Records Management Division
