Dear Mr. Waltman:

This office is in receipt of your public records request dated January 30, 2018 (received on February 3, 2018) for any and all correspondence and training documents between the North Andover Police Department and the Department of Homeland Security's Federal Law Enforcement Training Center (FLETC) for the period of January 1, 2012 through present.

After a due diligence search of Police Department training records and speaking to past and present in-house training officers, the North Andover Police Department has not participated in nor received any FLETC training.

If you have any questions, please do not hesitate to call me.

Sincerely,

Raymond T. Santilli
Assistant Town Manager
