## 1. Military Air Flight

Date: June 7, 2017

Itinerary: (b) (6), (b) (7)(C) to (b) (6), (b) (7)  
 (b) (6), (b) (7) to (b) (6), (b) (6),  
 (b) (6), (b) (7)(C) : (b) (6), to (b) (6), (b) (7)(C)

Cost of flight: \$36,068.50

Arrangements: The President of the United States directed a White House Support Mission to be provided by the White House Military Office for Administrator Pruitt. The flight was paid for by the EPA via an interagency agreement with the Department of the Air Force.

EPA Employees: E. Scott Pruitt, Administrator

Lincoln Ferguson, Senior Advisor to the Administrator  
 Kevin Chmielewski, Deputy Chief of Staff of Operations  
 b(6) (b) (7)(E), (b) (7)(F)

Justification: Given the time constraints due to Administrator Pruitt's participation in an event with the President of the United States, scheduled meetings with Vatican officials the next day, and his subsequent engagement in G7 bi-lateral meetings and discussions, there were no viable commercial flights that would allow him to make the final flight out of the United States to Rome, Italy on June 7, 2017. Additionally, reciprocity restrictions in conjunction with our federal agent's firearms, changing airlines and complying with the Federal Fly America Act regulations created further impediments to the Administrator's ability to fulfill his scheduled obligations.

Notes: Expenses under this reimbursable interagency agreement are for the Administrator's travel provided by the White House Military Office for transport from (b) (6), (b) (7) to (b) (6), (b) (7)(C) (b) (6), (b) (7) on June 7, 2017 for the purpose of enabling Administrator Pruitt to meet his scheduled commitments at the Vatican and at the G7 bi-lateral meetings as mentioned in the previous paragraph. Reimbursement in the amount of \$36,068.50 was for a total flight time of three hours and thirty-five minutes at a cost of \$10,075.00 per hour. Flight time included round trip for the aircraft to travel from and to its home base.

## 1. Military Air Flight

Date: June 7, 2017

Itinerary: (b) (6), (b) (7)(C) to (b) (6), (b) (7)  
 (b) (6), (b) (7) to (b) (6), (b) (6),  
 (b) (6), (b) (7)(C) : (b) (6), to (b) (6), (b) (7)(C)

Cost of flight: \$36,068.50

Arrangements: The President of the United States directed a White House Support Mission to be provided by the White House Military Office for Administrator Pruitt. The flight was paid for by the EPA via an interagency agreement with the Department of the Air Force.

EPA Employees: E. Scott Pruitt, Administrator

Lincoln Ferguson, Senior Advisor to the Administrator  
 Kevin Chmielewski, Deputy Chief of Staff of Operations  
 b(6) (b) (6), (b) (7)(C)

Justification: Given the time constraints due to Administrator Pruitt's participation in an event with the President of the United States, scheduled meetings with Vatican officials the next day, and his subsequent engagement in G7 bi-lateral meetings and discussions, there were no viable commercial flights that would allow him to make the final flight out of the United States to Rome, Italy on June 7, 2017. Additionally, reciprocity restrictions in conjunction with our federal agent's firearms, changing airlines and complying with the Federal Fly America Act regulations created further impediments to the Administrator's ability to fulfill his scheduled obligations.

Notes: Expenses under this reimbursable interagency agreement are for the Administrator's travel provided by the White House Military Office for transport from (b) (6), (b) (7) to (b) (6), (b) (7)(C) (b) (6), (b) (7) on June 7, 2017 for the purpose of enabling Administrator Pruitt to meet his scheduled commitments at the Vatican and at the G7 bi-lateral meetings as mentioned in the previous paragraph. Reimbursement in the amount of \$36,068.50 was for a total flight time of three hours and thirty-five minutes at a cost of \$10,075.00 per hour. Flight time included round trip for the aircraft to travel from and to its home base.

## 2. Charter flight via Interagency Agreement with the Department of the Interior

Date: July 27, 2017

Itinerary:

(b) (6), (b) (7)(C) (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) to (b) (6),  
 (b) (6), (b) (b) (6), (b) (7)(C)  
 (b) (6), (b) (7)(C) : (b) (6), (b) (7)(C) (b) (6), (b) to (b) (6), (b) (7),  
 (b) (6), (b)

Cost of Flight: \$14,434.50

Arrangements: The flight was arranged and paid for by the EPA.

EPA Employees: E. Scott Pruitt, Administrator  
 Elizabeth (Tate) Bennett, Deputy Associate Administrator, OCIR  
 Lincoln Ferguson, Senior Advisor to the Administrator  
 Amy Graham, Deputy Associate Administrator, OPA  
 Sarah Greenwalt, Senior Advisor to the Administrator for Water and Cross-  
 Cutting Issues  
 Daisy Letendre, Senior Advisor for Policy and Strategic Communications  
 b(6) (b) (6), (b) (7)(C)

Justification: Due to the remote location of (b) (6), (b) (6), the (b) (6), (b) (7)(C) (b) (6), is too small to accommodate commercial aircraft. In addition, given the Administrator's schedule and because there is no commercial aircraft available to (b) (6), the Administrator needed to use the services of a chartered aircraft to travel from (b) to (b) (6). The time constraints on the Administrator's schedule did not allow the Administrator to travel by ground transportation as it would have been five hours of travel time, one way.

Notes: On July 27th, 2017 the Administrator departed at approximately (b) (6), from (b) (6), (b) (7)(C) on a charter aircraft to (b) (6), (b) (7)(C) to meet with Gary Weabie of the Panhandle Irrigators Association, and landowners whose farms have been affected by the Waters of the United States rule. At approximately (b) (6), the Administrator departed (b) (6), (b) (6), by ground transportation and returned to (b) (6), to depart to (b) (6), (b) (7), arriving at approximately (b) (6),. In Oklahoma City the Administrator met with members of the Oklahoma state government. The Administrator departed (b) (6), (b) (7) at approximately (b) (6), to return to (b) where he had an early morning meeting the next day.

### 3. Private Air Charter, Mayo Aviation

Date: August 4, 2017

Itinerary: (b) (6), (b) (7)(C) to (b) (6), (b) (7)(C)

Cost of Flight: \$5,719.58

Arrangements: This flight was arranged and paid for by the EPA.

EPA Employees: E. Scott Pruitt, Administrator  
Lincoln Ferguson, Senior Advisor to the Administrator  
Amy Graham, Deputy Associate Administrator, OPA  
b(6) ... (b) (6), (b) (7)(C)

Justification: On August 4, 2017, the flight the Administrator intended to take from (b) (6), to (b) (6), (b) (6) was delayed ultimately for eight hours, which would have caused him to miss a mission critical meeting at Gold King Mine. That meeting involved the Colorado Congressional delegation, the Governor, and key community leaders and stakeholders, and it was essential that the Administrator attend. There were no other available flights from (b) (6), to (b) (6), that would have worked with the scheduled meeting. Staff also looked into flights from airports near to (b) (6), into (b) (6), or other locations near Gold King Mine. There was only one seat available on a plane with the Governor, so without the Governor removing someone else from the trip that was not an option either. There was a decision to secure a flight with a commercially-available charter service (<http://mayoaviation.com/charter/>) at a cost of approximately \$5,700.

Notes: The purpose of the trip was to allow the Administrator to scheduled commitments as specified in the previous paragraph. The length of the trip was two hours.

#### 4. North Dakota State Aircraft

**Date:** August 9, 2017

**Itinerary:** (b) (6), (b) (b) (6), (b)

**Cost of Flight:** \$2,144.40

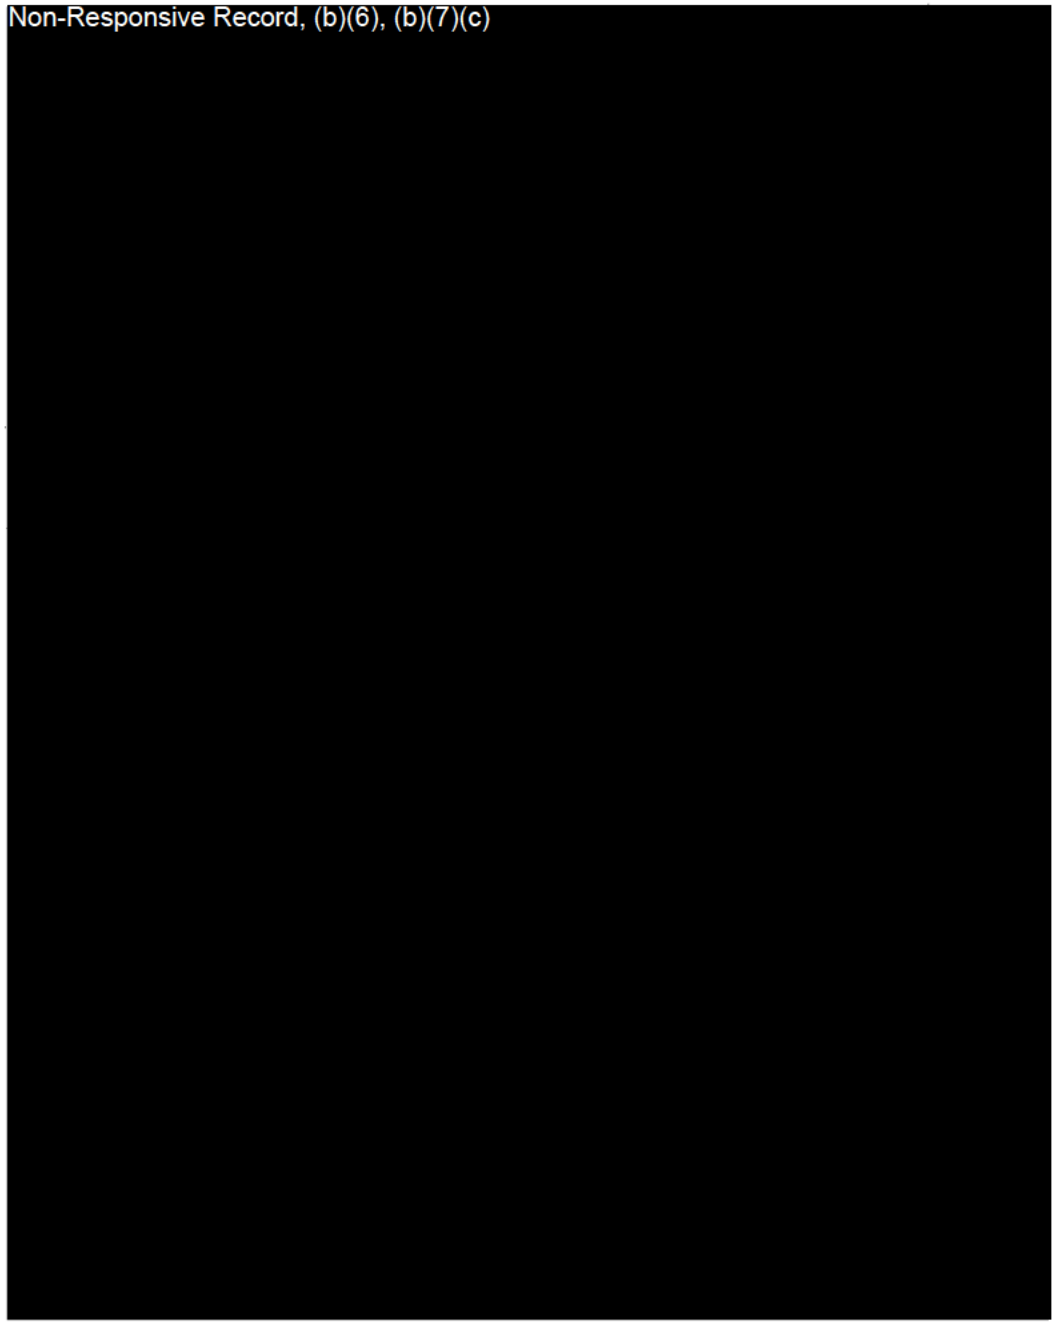

**Arrangements:** This flight was arranged by the State of North Dakota.

**EPA Employees:** E. Scott Pruitt, Administrator  
Millan Hupp, Director for Scheduling and Advance  
b(6) (b) (6), (b) (7)(C)

**Justification:** The Governor of the State of North Dakota offered seats on a state-owned plane to transport the Administrator and his staff to this event. There is no government rate established for this route. The Administrator and his security detail are entitled to business class accommodation due to security concerns. This in-kind contribution by the State of North Dakota was approved by the EPA Ethics office (see attached approval forms).

**Notes:** This flight was to enable the Administrator to participate in a roundtable discussion and a tour of the University of North Dakota's Environmental Research Center.

Topic: energy and regulatory files between the US and Canada – specifically CCS (carbon capture and sequestration) and reducing regulatory burdens on fossil fuel producers in Canada and the US. Premier Wall is fighting for the continued use of coal in Canada, against a carbon tax and against stringent methane regulations from oil and gas production. Saskatchewan is home to the Boundary Dam III project which is a retrofit of a 115 MW coal fired power plant with carbon capture and sequestration, and in 2014 became the world's first commercial post combustion CCS plant. Saskatchewan is also the 3rd largest coal producer in Canada, the second largest oil producer in Canada and third largest natural gas producer

**Subject** Meeting with National Alliance of Forest Owners  
**Location** Alm Room  
**Show Time As** Busy

Today's Date: April 3, 2017

Meeting Date: April 5, 2017

Meeting Time: 3:50 pm

Requested Location (if offsite, please list address, parking instructions, etc.): EPA, Administrator's Office

Requestor: The National Alliance of Forest Owners is an advocacy association of 48 companies and 29 forestry associations representing over 80 million acres of private forestland throughout the country. Nationwide, private forests constitute 70% of the nation's forests and support 2.4 million jobs and \$99 billion in annual payroll.

Purpose of the Meeting: To introduce the National Alliance of Forest Owners to the Administrator and discuss how forest owners and EPA can work together on water and air policies that will support jobs in the forestry sector and the rural economy overall.

Background on the Meeting: NAFO has two significant policy matters pending before EPA:

#### 1. Regulation of Biomass Carbon Emissions

- \* Forest biomass is a plentiful renewable energy resource that is typically the product of forest management or mill operations.
- \* Producing energy from this low value product provides mills with an efficient power supply, supports jobs in rural communities and provides a better economic return for forest owners, many of whom continue to struggle to find markets for their wood following the Great Recession.
- \* For many years, EPA policy treated biomass as carbon neutral, in line with the rest of the world, meaning that any carbon emitted from combustion of biomass is recaptured by growing forests as part of the natural carbon cycle.
- \* In 2010, without public notice or scientific basis, EPA's "Tailoring Rule" reversed that policy and regulated greenhouse gas emissions from biomass without regard for the natural carbon cycle.
- \* Since 2010 EPA has repeatedly committed to revise and clarify its biomass policy but failed to do so. The resulting uncertainty has stalled investment in biomass energy at mills and stand-alone facilities.

We are seeking to work with EPA to remove uncertainty about biomass in EPA policy through amendments to the Tailoring Rule that are pending at OMB. Clarity on biomass will correct EPA's policy on biomass, restore the natural forest carbon cycle as the underpinning for biomass energy policy, and support job-sustaining investment.

#### 2. Waters of the US (WOTUS) Regulations

- \* Forest management activities are generally consider nonpoint sources except for stormwater control ditches and herbicide applications.
- \* Courts have required NPDES permits for herbicide applications in forests, but EPA has elected not to regulate ditches as point sources.
- \* However, the expansion of WOTUS under the new definition will create confusion about where else the permits are required and what additional requirements are imposed if the ditches are now WOTUS.
- \* Features that EPA declared to be WOTUS in the revised definition that are of concern to NAFO members include ephemeral and intermittent streams, ditches, and isolated wetlands.

Title of the Meeting: Meet and Greet of State Commissioners on EPA Lean Action Board

Purpose: Introduce the state members of Lean Action Board (LAB), a group of senior EPA and state officials working collaboratively to eliminate waste and increase productivity in our environmental programs, to the Administrator. The LAB consists of 7 EPA SES members and the directors of two state (AZ, KS) environmental agencies. State LAB members will provide an overview of Lean activities and results at EPA and with its state partners, and describe how Lean is making a difference in how EPA manages our people and programs.

Role of the Administrator: This would be a quick meet and greet before or at the end of his stay at ECOS. It would not require a room and could be done in a discrete location of the lobby.

Background: Commissioned in 2015, the LAB brings together EPA and state environmental leaders to advance the practice of Lean and to foster a continuous improvement culture within EPA and states. During 2016 the LAB focused on identifying Lean projects with transferable solutions and is working with EPA and state partners to share successful results with other states and regions with similar processes in need of improvement.

Last possible date for the meeting: The state members of the LAB would appreciate the opportunity to meet with the Administrator at the Mayflower before or after his Keynote at the ECOS on April 7, 2017. The state members are Misael Cabrera (AZ) and John Mitchell (KS), who both are attending the ECOS meeting.

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics.Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of her performance of the event and does not involve a gift to her or to the agency. While free

attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

#### Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Hi Sydney,

There are no ethics concerns with respect to this event. It may be

important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

 Subject: RE: Board Meeting Request

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

 Subject: RE: Cement Association MAY Meeting/Keynote Request

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

**White House Ethics Pledge**

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering her a tangible gift to take home with her.

**Acceptance of Free Attendance (including meals)**

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

**Financial Disclosure Implications**

Because this is not a gift, there are no financial disclosure reporting obligations.

Evening Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: RE: Invitation to Administrator Pruitt for NACD Board Meeting

Hi Millan, Did the Administrator attend this event on Monday? I realized I hadn't answered this one. If so, it's okay! Here's the ethics advice to go along with this event. Jennie for OGC/Ethics

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a

lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

**White House Ethics Pledge**

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

**Acceptance of Free Attendance (including meals)**

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

**Financial Disclosure Implications**

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: Re: Administrator Pruitt's Participation in CNP

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Hi Sydney,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. Please follow up if the Administrator schedules for a time slot where a meal is offered.

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does

not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

#### Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

 Subject: Re: US Oil and Gas Speaking Request- Administrator Pruitt

Hi Sydney,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a

lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, she must be careful about the organization offering him a tangible gift to take home with him.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.
