Alicia,

I don't know about you, but I am **Fed Up!**

If you are, Sign This Petition.

Vermont was once heralded as “the star that never set”, a true bastion for the kind of traditional, conservative values that our great nation was founded on.

As I write this, those days seem long gone.

In recent years, our state has been co-opted by the liberal elite. Out-of-touch politicians have been hell bent on stripping away every right and freedom that Vermonters hold dear.

Alicia, now is not the time to surrender. We must continue to fight!

Though the days of the traditional, conservative Vermont we all grew up in may seem gone, it does NOT mean it is gone for good.

2018 is a critical year for conservatism in Vermont. If we are ever going to return Vermont back to its former glory, we need to band together to toss out every last liberal elitist politician in Montpelier.

Will You Join Us?!

We need to send a clear message to the out-of-touch politicians in Montpelier.

We need conservatives to run for every House & Senate seat.
