

Citizens' Petition
to the Mayor and Council of the City of Phoenix

WHEREAS, these Complete Streets design guidelines will lead to the design, construction, maintenance, and operations of safer streets within the City of Phoenix; and

WHEREAS, these design guidelines are necessary and appropriate for the promotion of a multimodal transportation system that is accessible, safe, reliable, efficient, integrated, convenient, and connected; and

WHEREAS, the City of Phoenix charged the Complete Streets Advisory Board in 2014 with preparing and recommending a Complete Streets design guideline manual for adoption by the Council; and

WHEREAS, the Complete Streets Advisory Board made the timely preparation and recommendation of such for a vote of the full City Council within one year of their first meeting, per Ordinance G-5937; and

WHEREAS, these Complete Streets design guidelines are the latest and most current revision from the Complete Streets Advisory Board.

THEREFORE:

Pursuant to Chapter IV, Section 22 of the City of Phoenix Charter, I, Connor Descheemaker, a citizen and resident of the City of Phoenix, hereby petition the Mayor and Council to consider – expeditiously – and enact within 15 days, a resolution(s), ordinance(s), or measure(s) that will:

1. Adopt the Complete Streets Design Guidelines, dated March 8, 2018 and recommended to the full Council by the Complete Streets Advisory Board per Ordinance G-5937, to inform and guide the design, construction, maintenance, and operations of public streets.

Respectfully submitted April 4, 2018 by Connor Descheemaker and further supported by a broad coalition of advocates for Complete Streets.

Connor Descheemaker
