**NOTICE OF DISPOSAL OF UNCLAIMED VEHICLE**

The motor vehicle described is presently at the Chicago Police Department Automotive Pound indicated above, and is subject to both towing and accruing storage charges. You have failed to timely request a hearing to challenge the towing and storage fees, and have therefore waived your right to a hearing in accordance with Section 2-14-135 of the Municipal Code of Chicago. This letter is to advise you that your vehicle will be disposed of in accordance with Section 9-92-100 of the Municipal Code of Chicago unless your vehicle is retrieved within 15 days of this notice.

Upon payment of all accrued towing and storage fees, you can retrieve your vehicle. Towing fees are \$150 for vehicles under 8,000 pounds or \$250 for vehicles 8,000 pounds or more. Storage fees are \$20 per day (for the first five days, then \$35 per day thereafter) for vehicles under 8,000 pounds or \$60 per day (for the first five days, then \$100 per day thereafter) for vehicles 8,000 pounds or more, in accordance with the provisions of Section 9-92-080 of the Municipal Code of Chicago. All charges must be paid in cash at the Chicago Police Department Automotive Pound Section at the time of release. Checks or money orders are not acceptable. Also, no operable vehicle will be released without a current state registration plate, proof of insurance, and, if applicable, a City of Chicago wheel tax license emblem (City Sticker).

In addition, to secure the release of your vehicle, when you come to pick up your vehicle at the Chicago Police Department Automotive Pound Section, you must furnish proof of ownership or interest in the vehicle such as a certificate of title or state license registration card and a valid picture I.D. Any agent or relative requesting property must also have a notarized letter from the registered owner.

A lien holder must provide a photocopy of the conditional sales agreement and the title for the vehicle in addition to a notarized letter stating the amount of money owed and the period of time the purchaser is in default of the agreement. This letter should authorize a named individual to execute an indemnification certificate in the Chicago Police Department Automotive Pound Section office.
