

1 for termination. The reason for termination was
2 listed as omission and copying and pasting of student
3 notes.

4 MS. MOONEY: I'm actually going to sustain
5 his objection because we have limited this. It's the
6 omission of the information rather than the reason
7 for dismissal from USC is the relevant issue here.

8 MR. PYLES: Okay.

9 BY MR. PYLES:

10 Q. So, Dr. Finn, after learning for the first
11 time that Mr. Isaacs had not included the USC
12 dismissal, participation and dismissal in any of his
13 materials, what did you decide to do?

14 A. I think at that stage, we were concerned
15 about moving forward with his continuing in the
16 program, although we had been more than willing to
17 work with Jeff around performance issues. The issues
18 of fraud and misrepresentation were those that we did
19 not feel like we could tackle effectively in the
20 training program and the decision, you know, was made
21 that he could not return.

22 MR. PYLES: Thank you, Dr. Finn. I do not
23 have any further questions.
