RE: Auto Accident of January 22, 2018

Dear Mr. Hinton:

We represent Yeon Soo Park and Ae Ran Chun, the parents of Sang-A Park, who as you know died on the evening of January 22, 2018 after being hit by a vehicle as she was crossing a street in a crosswalk on the NIH campus.

Mr. and Mrs. Park will fully cooperate in any aspects of the investigation which I understand you have undertaken to determine precisely what happened that led to this tragic event.

On behalf of Ms. Park's parents, I request that you provide to us:

- The identity and contact information for the driver whose vehicle struck Ms. Park, or the name and contact information of the driver's attorney if he has one;
- A copy of any surveillance video that shows the event;
- Names and contact information for any witnesses to the event.
- Your full report of this event, and any preliminary report.

Thank you for your help. Please contact me with any questions.

Sincerely,

Patrick A. Malone
