

Hi, Wendy Schumacker from the U.S. EPA. I am calling about the 27 FOIA requests that you sent by regular mail to us and I had a couple of questions before we entered it into our system.

The number here is 202-566-2513. It's Tuesday afternoon; I will let you know that I am in meetings from about 1:30 to 3:00, but I should be around the rest of the day. Thanks very much. Again the phone number is 202-566-2513 and my name is Wendy.

Bye, bye
