Dear Zack,

I wanted to update you on the question that you had regarding this case, where you had originally asked for "documents or emails concerning Mexico, or any other country, rejecting immigrants being deported, for any reason, including, but not limited to, that they were not citizens of the country that ICE attempted to deport them to, they lacked documentation, or they were physically or mentally unable to be deported. Please search for records since 1/1/15."

Would you have time for a quick phone conversation sometime soon?

Many thanks,  
Kristin
