Yolanda –

So we don't get it wrong (or do something that others are already doing, etc.), I wanted to see if I can get you all to weigh in on the t-shirts.

- I'm thinking ORANGE shirts (stay away, I think from green, red and blue – which all make too much of a different kind of statement). Orange is bright, noticeable and shows up well on TV and in pictures.
- We have the front and back of the t-shirts for messaging (assuming we WANT a message). Here are some thoughts. We like #1 the best, but up to you:
