Dear House Speaker Hughes: It is disturbing to know that you are putting your personal hunger for power ahead of the welfare of the USA. Your support of Mr. Trump demonstrates a disregard for the peace and prosperity of this country. Take one recent example of Mr. Trump's lack of understanding of foreign policy - ... they make gestures at our people that they shouldn't be allowed to make, ... warning shots, but not "shot [them] out of the water," as Trump would like. i would do that too.....it would only take 1 time.....blow it to smithereens.....next? Please create a profile of qualifications required of an American President and evaluate Mr. Trump and Ms. Clinton on those parameters.
