I agree Mr Secretary.

On the citizenship question we will get that in place. The broad topics were what were sent to Congress earlier this year as required. It is next March -- in 2018 -- when the final 2020 decennial Census questions are submitted to Congress. We need to work with Justice to get them to request that citizenship be added back as a census question, and we have the court cases to illustrate that DoJ has a legitimate need for the question to be included. I will arrange a meeting with DoJ staff this week to discuss.

[REDACTED] worst of all they emphasize that they have settled with congress on the questions to be asked. I am mystified why nothing have been done in response to my months old request that we include the citizenship question. Why not? [REDACTED]
