Re: EOUSA-2017-000940

Dear Sir or Madame:

On 3/21/17 I mailed a FOIA/PA request seeking records maintained on myself.

On 5/30/17 I was sent an acknowledgement letter asking me to limit the scope of my request. I responded by limiting the scope of my request to what could be provided at no charge.

As of today I have not received a response to my request after over 9 months.

Please forward to me the requested documents. I do not wish to have to resort to legal action to compel production.

Sincerely,  
B. M. K.
