Re: Freedom of Information Appeal

To Whom It May Concern:

I write to appeal from, under 37 C.F.R. § 102.10, the untimely delay of an initial determination in Freedom of Information Act Request No. F-18-00183 (hereinafter “the Request”). The Request was submitted on May 4, 2018 and perfected on May 7, 2018. The initial twenty-day response date was June 5, 2018. On May 17, 2018, the Request was placed on hold pending receipt of payment of a \$540.64 fee. That fee was promptly paid (and the check cashed), and the twenty-day response date was adjusted to June 14, 2018. On June 14, I received a notice to extend response time limit, extending the response date by ten business days to June 28, 2018. Two additional weeks have now passed, and I have not received a determination, documents, or any further notice from the PTO. Accordingly, I hereby file this administrative appeal demanding immediate compliance with the Request.

Respectfully submitted,

Christopher Ryan Pinckney
