PROFESSIONAL EXPERIENCE

Summer 1995 **NATIONAL SCIENCE FOUNDATION**, Easton, Pennsylvania
Research Mathematician. One of nine undergraduate math majors selected from over 100 applicants to participate in N.S.F.-funded program at Lafayette College. Completed original mathematics research in probability theory and co-authored two papers accepted by leading mathematics journals.

Fall 1993-Fall 1994 **LINDA KUSHNER FOR U.S. SENATE**, Providence, Rhode Island
Issues Director. Had sole responsibility for all research and policy for the 1994 Democrat nominated for the United States Senate. Organized, directed, and analyzed all campaign research, supervised Washington consulting firm, coordinated all debate preparation, prepared candidate briefing sheets on every potential campaign issue, wrote the campaign position papers, and answered political action committee questionnaires.

Spring 1993 **GOVERNOR'S POLICY OFFICE**, Providence, Rhode Island
Policy Intern. Assisted the Governor's policy specialist on transportation issues. Researched, analyzed and wrote memoranda on the procedures in various states for spending Federal transportation funds.

Fall 1992 **HOUSE OF REPRESENTATIVES**, Providence, Rhode Island
Research Assistant. Performed research for a member of the Rhode Island House of Representatives on several issues including environmental policy and prison reform.
