We should probably create a policy or SOG for this before we begin training. We need to contact OPD to make sure we are training the way they are training. I will reach out to Mark Canty today.

This important operation (Active Shooter) needs some directions. Training sessions start next week, but there are still unanswered questions.

Thanks.

Chief, I am not aware of a Active Shooter SOP at this time. There was a committee that was responsible for the SOP,however, I am not sure whether one was created and approved.
