ALASKA POLITICAL OPINION SURVEY
OCTOBER 19-22, 2018

Hello, my name is _____ and I'm calling for Alaska Survey Research, an Alaska public opinion research firm. We are conducting a brief public opinion survey today that will take no more than five minutes.

IF CELLPHONE RESPONDENT… We'd like to get your input to the survey as a cellphone respondent. We've deliberately called you in the evening/on the weekend so that hopefully we're not using up your minutes, and we'd like to ask if you can safely respond to the survey where you are right now.

IF LANDLINE RESPONDENT… Is this a residential telephone? IF "YES", CONTINUE... If they are available, I'd like to speak with the youngest male aged 18 or older in your household. (IF AVAILABLE, SWITCH AND REPEAT INTRO. IF NOT AVAILABLE…) How about the youngest female aged 18 or older? (IF AVAILABLE, SWITCH AND REPEAT INTRO. IF NOT AVAILABLE, CONTINUE WITH RESPONDENT.)

All phone numbers used for this survey were randomly generated. We don't know your name, but your opinions are important to us, and we'd appreciate your participation if that's OK with you. Of course, your responses will be completely confidential.

3A.   As you may have heard, a few days ago Lieutenant Governor Byron Mallott resigned from office, and also stepped down from his role as Governor Bill Walker's running mate. I am going to present two scenarios to you that describe how things might go from here, and ask you how you think you might vote under each scenario. In Scenario 1, Governor Walker terminates his campaign and endorses the campaign of Democrat Mark Begich. Because election ballots have already been printed, Walker's name will still appear on the ballot. If the election was held today under this scenario, and the candidates for Governor were (READ LIST) for whom would you vote for Governor?

	COMPUTED 2018 GOVERNOR RACE – WALKER ENDORSEMENT ONLY:	
	Count	%
Mark Begich	218	43.7%
Mike Dunleavy	241	48.3%
Bill Walker	27	5.3%
Undecided	13	2.7%

3B.   OK, Scenario 2 is similar. Under this scenario, Governor Walker terminates his campaign, endorses Democrat Mark Begich, and then joins the Begich campaign, assuming an active role, making appearances at events and in advertising, talking particularly about continuing his work promoting gasline issues in a Begich administration, just as he did as Governor. Again, because election ballots have already been printed, Walker's name will still appear on the ballot. If the election was held today under this scenario, and the candidates for Governor were (READ LIST) for whom would you vote for Governor?

	COMPUTED 2018 GOVERNOR RACE – WALKER ACTIVE ROLE:	
	Count	%
Mark Begich	220	44.1%
Mike Dunleavy	253	50.6%
Bill Walker	12	2.4%
Undecided	14	2.9%
