Subject: RE: FOIA 18-190

Dear FOIA Administrator:

I am following up on the FOIA 18-190 request originally submitted on May 11, 2018. It has now been over six months since the agency received our FOIA request and we have still not received a final determination. As you can see from the emails below, there has been no final determination by the Army Corps for this request. It is now November 16, 2018, and there has been no final determination nor any other communication regarding this FOIA request.

Please provide a final determination by Wednesday, November 28, 2018, or we will be forced to take additional legal action to compel the Corps to respond to this request.

Sincerely,
Catherine
