IN THE UNITED STATES COURT OF APPEALS FOR THE FOURTH CIRCUIT

In re DONALD J. TRUMP, in his official capacity as President of the United States,

No. 18-2486

Petitioner.

MOTION FOR A STAY OF BRIEFING IN LIGHT OF LAPSE OF APPROPRIATIONS

The United States of America hereby moves for a stay of briefing in the abovecaptioned case.

- 1. On December 20, 2018, this Court granted a stay of district court proceedings pending this Court's resolution of the President's mandamus petition. This Court set this case for oral argument during the March 2019 term and set a briefing schedule, with the President's opening brief due on January 22, 2019.
- 2. At the end of the day on December 21, 2018, the appropriations act that had been funding the Department of Justice expired and appropriations to the Department lapsed. The Department does not know when funding will be restored by Congress.
- 3. Absent an appropriation, Department of Justice attorneys and employees are prohibited from working, even on a voluntary basis, except in very

limited circumstances, including "emergencies involving the safety of human life or the protection of property." 31 U.S.C. § 1342.

- 4. Undersigned counsel for the Department of Justice therefore requests a stay of briefing on the President's mandamus petition until Congress has restored appropriations to the Department.
- 5. If this motion for a stay is granted, undersigned counsel will notify the Court as soon as Congress has appropriated funds for the Department. The Government requests that, at that point, all current deadlines for the parties be extended commensurate with the duration of the lapse in appropriations.
- 6. We contacted counsel for the District of Columbia and Maryland, who authorized us to state that the District and Maryland take no position on this motion.

Therefore, although we greatly regret any disruption caused to the Court and the other litigants, the Government hereby moves for a stay of briefing in this case until Department of Justice attorneys are permitted to resume their usual civil litigation functions.
