Re: Atlantic Coast Pipeline, Docket Nos CP15-554-000, -0001; CP15-555-000; CP15-556

Dear Mr. McGuire:

I write to inform you that the Monacan Indian Nation has worked with Atlantic to resolve its outstanding concerns regarding tribal consultation and any potential impacts to cultural or historic resources associated with the Atlantic Coast Pipeline project.

The Nation does, however, expect the Federal Energy Regulatory Commission and other signatories to the Programmatic Agreement for the Atlantic Coast Pipeline project to comply with the terms of that agreement, including requirements associated with any unanticipated finds identified during project construction.

Sincerely,

Chief D. Dean Branham
