In the same car that [you] lent me.  

Alright, love, make the arrangements with Cachimbas.  

Are you going to want me to buy more or not? Just so I know.  

Yes, love.  

Cachimba would be going tomorrow, right?  

It came out exactly at 400 kilos.  

They just called to tell me that the rest was only powder.  

Yes, love, bring this one with you so it doesn’t stay over there, and then ask if there’s any of the good stuff, and you can let me know when you return.  

And who’s going with you?  

Yes, there is good stuff. I already saw it.

I want to let you know that the packages didn’t fit in the airplane; 50 kilos, packed, were left there.

Yes, he went as well, love. He stayed in Tapichahua. I worked from last night until I got there without rest.

And how many were there, love?

400 kilos, only 350 fit.

Was it very well packed, love? How many are in each package?

10 kilos, love.

All of them.

They have a mark/stamp of a [number] four inside a heart.

Love, there is a heart even there.

How sweet.
Yes, love, that’s the one…it has a heart and the [number] four.

The heart means that I love you, and the [number] four means that I bless the day that you came into this world.

The day of your birthday [heart].

Oh, yes, that’s right. Buy 300 next week, and that way you can make another trip, love.

I went to see how many kilos there are, and there is enough for another flight. I was told that two nights ago Ruben went to buy a few kilos.

But I went just now before coming back, and there was some but they don’t want to let it go for less than 500 or 550.

And I always got that flight for 500.

The owner of the runway sends his greetings and says we can use the runway whenever you want since no one takes off from there.

And did Cachimbas like it?
Yes, he asked me how many meters it had, because it felt very long to him, I think. Haha.

It’s 500 meters.

It’s in very good condition.

With no holes.

Love, buy it for whatever you can. How much did your ex buy it for?

And the best part is that it’s far away from La Mesa.

Yes, love, I bought the other one for 500 and about 26 kilos for 400.

Above...I don’t understand the first part, love.

Something about La Mesa.

Many people were telling me that Guero buys it for 550, but I told them to sell it to Guero then, and they all shut up.

I was telling you that the runway is in a good location, far from La Mesa, because there are soldiers in La Mesa.
And how much did your ex buy it for?

At 500, apparently.

They said he hadn’t bought for days and people said he must have gone to compete with me.

And how much did he buy?

500 kilos.

And where did he buy?

Where I bought, in Mezcaltitan and La Culacha.

He didn’t get near Tapichagua.

And who bought better quality?

He went at night and they say he brought it down. They don’t know where he packaged it.

Well, I was told that I took the best one.

(2012-01-24 20:41:37)
If not, I'll talk to you later, because I'm cold and I'm here in the mountains.

Sweetheart, you caught me while I was getting hot compresses.

Oh, I'm sorry, love.

[kiss] :*

Tell me how it went, love.

Not too good. I have 310 kilos, love.

I didn’t take all of it because one portion had seeds.

And I want to know if you want me to continue completing it—

--or should I send those kilos out?

Complete the trip, love.

And that’s it.

Okay, love, should I stay here?--
--looking?

Or do you want me to leave someone here?

If there is none, come back, love.

Well, people have, but like I said, they are collecting. It’s a matter of waiting. There will be about a ton in 15 days.

Everybody is working here, collecting and I’ve been putting the kilo aside as it’s been coming in.

It’s too long. Leave some guy in charge of getting it, love.

Closer over here there are others for 750.

But I won’t pay that price, love.

Complete the trip/flight at whatever [cost].

How many kilos do you want to get [there], love? The 400?
214 M.: Or 350?
(2012-01-24 20:41:38)

215 J: Complete for the trip at four, the most; more or less 380, 350 the least.
(2012-01-24 20:41:38)

216 M.: Okay, so I will buy those kilos now at that price to complete it, then.
(2012-01-24 20:41:38)

217 J: Yes, love.
(2012-01-24 20:41:38)

218 J: Yes, love, it just needs to be very good, and tell the person not to say [anything] to avoid problems with the other buyers.
(2012-01-24 20:41:38)

219 M.: I’ll complete the 350 by tomorrow, and if I can I will get the 400. It’s just that I won’t have any [money left] even for gas, if I buy at that price.
(2012-01-24 20:41:38)

220 M.: But I will take the chance to see what can be done.
(2012-01-24 20:41:38)

221 M.: If not, I’m going to go and see what Guero says and if I can get something cheaper.
(2012-01-24 20:41:38)

222 J: 380 is good, so it doesn’t stay there.
(2012-01-24 20:41:38)
203  **M..:**  Okay, love.  
(2012-01-24 20:41:39)

208  **M..:**  Fifteen kilos are marked. Those weren’t really good, they were from Callo’s marihuana; those turned out bad.

(2012-01-26 21:44:44)  
**Q bueno**
Congratulations, sweetheart.

Thanks, love. I was thinking about those kilos, I even felt like tossing them, but then I sent them. Cachimba didn’t want to take them all, but I put all of them there.

He was saying that they didn’t fit, but I insisted that they fit and I got the 380 in.

He wasn’t happy.

Give him money to apply for his passport, love.

I don’t have any money now, love.

I gave everything to Callo, and paid expenses with the leftover from the weed.

I’ll give you [money] tomorrow, sweetheart.

Okay, love.

232 M..: (2012-01-31 15:11:58) No, but yes, people talk too much. I was careful not to be seen, and you see how everybody knows. I may show up hanging somewhere soon due to envy. I don’t sleep, love. No pss si k la gente es comunicativa yo segun me cuide k casi no me vieran y ya ve td el mundo ya save alato amanesco colgada x ai la envidia no crea k duerme amor

233 J: (2012-01-31 15:11:58) Look, the mafia kills people who don’t pay or people who snitch, but not if you’re serious, love. Mira la mafia mata a la jente q no le paga o a la q pone el dedo pero al q es serio no amor

234 M..: (2012-01-31 15:11:58) Well, that’s true, love. I know that when a person is loyal and straightforward he/she can last for years, he/she can die of natural causes. But there are also envious people who, just because they want to get someone out of their way, do bad things. But I’m not afraid of that, love. I’ve thought about things before, I know that I’m not doing anything bad. On the contrary, I think that this is good for people, and even more so with you, because you’ve helped the ranches a lot and I’m proud and hold my head up high, guided by you, love. Ps eso si amor yo c k una persona siendo derecha y ablando de frente en estas cosas dura años asta se puede morir de viejo uno pero tmb ai envidiosos k con tal de kitarlo del camino auno le asen males pero eso ami no me da miedo amor yo e pensado en las cosas antes yo se k yo no ando asiendo nada malo alcontrario kreo k es un veneficio para la gente y pss usted menos xk usted a ayudado mucho alos ranchos y yo me siendo orgullosa de yegar con la crente en alto guiada de usted amor

235 M..: (2012-01-31 15:11:58) And if you like what I’ve done and you want me to continue, I will continue until whenever you want me to. I like it, at least I feel useful. Y si austed le gusta lo k yo e echo y kiere k siga yo siga asta k usted kiera ami me gusta eso me siento util xlo menos

236 J: (2012-01-31 15:34:46) That’s right, love. Lies are what cause problems. Don’t lie and people will always see the good, love. Always remember that. I’m telling you this because I love you. Even if you make a mistake don’t deny it and you will always be happy and people will appreciate you. I love you. Asi es amor la mentira es la q acarrea malestar tu nunca eches mentira y siempre te veran vien amor eso siempre recuerdal o te lo dije porque te amo aunque cometas algun error no lo nigues y siempre andaras felis y te apresiara la jente te amo
Thank you, love. I swear, and you know this, I have promised to be a good woman and not lie to you. I know that you and I will always be good and I know that lying is not good and, like you say, it only causes problems and distrust and the perception that one is crazy. I want you to always feel proud of me and I know you do. I love you more than I love myself.

Gracias amor yo e jurado usted sabe y le e prometido ser buena mujer y no mentirle yo c k usted y yo estaremos bn siempre y yo c k la mentira no es nd buena y como dice usted solo acarrea problemas y desconfianza y k la gente lo tome como locoo auno yo kiero k usted este orgulloso de mi en todo momento y yo se k lo esta lo amo mas k ami vida yo austed
