**Description**

Hi all,

This follow up meeting is for the advisor teams to get into more details on the post-hurricane reality. Includes update on thinking surrounding regional budgeting process, special education numbers, administrative staff headcount, etc. We will circulate a more detailed agenda in advance of this call.

@Julia - you are welcome to join, but not required. Happy to spend this week on the strategic discussions with you and then work closely with advisors to understand the details.

Thanks,  
Kari
