Narrative Information

Witness - Claudia Gonzalez Linares, 45 year old Hispanic female, date of birth 5-18-1972, expired Washington ID number expired Tennessee ID number Last Social Security number on file is Current address 5881 Surrey Lane, Southaven, Mississippi, zlp code 38637. Cell phone number

On Monday, July 24th, 2017 at about 0200 hours (2:00 AM) I, Officer Iniguez, was notified by Sergeant W. Kjellin that a Spanish speaking officer was needed for translation on an officer involved shooting call. I made the scene at 5881 Surrey Lane, Southaven, Mississippi, and spoke with Lieutenant M. Little. Lieutenant Little advised that the investigation of the incident is still ongoing, and that he needed me to give the subject's wife a courtesy transport to the station. At that time I was not told anything about the incident.

I spoke with LINARES, who was sitting in the back seat of one of our police vehicles. I explained to LINARES that I was called to the scene to translate and to give her a courtesy transport to the Southaven Police Department. I explained to LINARES that she was not in custody or detainment, and that she can refuse my services at any time.

LINARES said that she wanted to help and needed to know if her husband was alive. I told LINARES that I wasn't notified of the situation with her husband, and that I would let her know when I am informed.

I gave LINARES a courtesy transport to the police station and took her to the interview room. While we were waiting for the investigator, LINARES told me what she heard and witnessed. I asked LINARES if she could write down what she witness on our (witness statement form). LINARES agreed and wrote out her statement, while I witnessed her writing the statement.

Mississippi Bureau Investigation (MBI) made the scene at the police station and spoke with LINARES about the incident. I assisted with the translation between MBI and LINARES in the interview room.

LINARES said that her and her husband went to sleep last night at about 2200 hours (10:00 PM) in the master bedroom. LINARES said that she heard their dog (Coco) barking in the living room. LINARES said that she told her husband that the dog was barking and made him go to the

living room to see what was going on. LtNARES said as her husband left the bedroom, she could hear someone talking outside. LINARES said she looked out the window and noticed the police cars on the street. LINARES said that she yelled to her husband, letting her know that it was okay it's just the police.

LINARES said right after that she heard several loud gun shots, and she ran out the living room area. LINARES said that she noticed her husband's body lying face down on the floor, and their dog barking at the open front doorway. LINARES said that she ran to her husband's body and yelled for the officers to help her. LINARES said all she could she was the officers flashlights, and them yelling at her to get her dog.

LINARES said she got their dog and carried it back to their master bedroom. LINARES said that the officers then ordered her to come outside the house and they took her to one of the police cars. LINARES said that she didn't know what happened and all she could see when she went outside was a lot of police cars with blue flashing lights.

LINARES said everything happened so fast, that she didn't know if her husband was alive or not.

MBI informed me to tell LINARES that the officers were attempting to locate a wanted suspect from their house. MBI informed me to tell LINARES that her husband was deceased, and that the investigation was still on going informed LINARES of the situation and LINARES requested to go back home and see her son. I gave her a courtesy transport back to Surrey Lane and

LINARES was reunited with her 20 year old son, who flagged me down and informed me that they found the dog alive underneath his mother's trailer home. Southaven Animal Control made the scene and took possession of the dog, which was a light brown pit-bull male dog. The dog was alive, and had small cuts on its head, leg, and rib area. It is unknown if the injuries that the dog has are from the incident or after-the-fact.

Text: On Saturday, 10-11-08, at 18:00 hours, I Sgt. Noble was dispatched to 5803 West Minister in reference to a stolen 4 wheeler. Upon my arrival I met the homeowner, Rudolph Salcedo. Salcedo stated a 4 wheeler was stolen from his driveway between Thursday, 10-09-08 @ 18:00 and Friday, 10-10-08 at 20:00 hours. Salcedo stated the 4 wheeler belongs to a neighbor, Ismael Lopez, who lives at 5881 Surrey Ln. I went to Surrey Ln. and spoke with Lopez. Lopez stated he bought the 4 wheeler for his son at a yard sale for \$250.00. Lopez described the 4 wheeler as red in color, unknown brand, but has "trailboss 150" on the side. The serial number is unknown. Lopez stated his son and Salcedo's son where riding the 4 wheeler in the neighborhood last week and had a wreak. Lopez stated Salcedo's son suffered a broken leg and was taken to the hospital. Lopez stated Salcedo picked the 4 wheeler up with his truck and took it to his house after the accident. Lopez stated he has not had time to go get the 4 wheeler from Salcedo's residence. No suspect or witness information.

On Sunday, 10-11-08, at 21:30 hours I received a phone call from dispatch that someone had called the police department with the serial number of the stolen 4 wheeler. The serial number is YJ6PCJB5150072034. The make is still unknown but was described as an "off brand", made in China. A "John Doe" affidavit was completed and left in dispatch for the complainant to sign. At time of the report the complainant has not come to the station.

Narrative Information

Complainant - Ismael Rodriguez, Hispanic male, DOB 03/30/1976, 588 Surrey Lane, Southaven, MS, 38671,

Deceased - Rosa Birmingham, white female, DOB 9/23/1948, 5865 Surrey Lane, Southaven, MS, 38671

On 03/07/2017, at approx 10:25 pm (1025 hours), I, Sgt Dickson, #1229, was dispatched to 5865 Surrey Lane in regards to a DOA. On arrival, I made contact with and individual on scene named Ismael Rodriguez. Ismael stated that he was the deceased neighbor and close friend and that he came to check on her because no one had heard from her since Sunday. 33/05/2017. Ismael stated that since he was unable to get her to the door and no answer on her cell phone, he forced entry into the tront door with a screw driver. The deceased was located laying face down in the bathroom and hallway of the residence. The deceased was identified as Rosa Birmingham. Detective Defore made the scene and took photographs. Chris Shelton made the scene to assist as a chaplain. Medical Examiner Jeff Pounders made the scene and pronounced Rosa dead. Brentwood Funeral home made the scene and took possession of the body.
