REPORTED BY 4134 DANIEL, JACK

REPORT FILED 11/05/2006

**INVESTIGATION:**

On Sunday, 11-05-06, at 1733 hours myself and Deputy BRYANT were dispatched to the Keno Gas Station at 15475 Highway 66 in Keno, Oregon on report of a suspicious person.

Dispatch advised that a male subject was showing several juveniles firearms in the parking lot.

While en route to that location I was contacted on my Klamath County Sheriff's Office cell phone by Reserve Deputy Steve LESLIE. LESLIE told me that he was on scene and had observed the male acting suspiciously. Steve LESLIE told me that the subject was bragging about going on drug stings in Louisiana and stating that he worked for the government. Steve LESLIE told me that he would stand by at the location and get a license plate in the event that the subject left.

Deputy BRYANT arrived on scene several minutes prior to myself and contacted the subject who identified himself as Larry Mitchell HOPKINS.

When I arrived on scene Deputy BRYANT told me that Larry HOPKINS had stated that he was a felon out of Montana and that there were firearms in the vehicle.

I observed that Larry HOPKINS was wearing a black uniform style shirt and black pants. HOPKINS had a badge similar in appearance to a police officer badge pinned above his left breast in the area a police officer would wear a badge. HOPKINS had a gold star on each of his collars which is often a sign of rank. HOPKINS had several military or law enforcement style pins all over his shirt in a uniform appearance.

I contacted Steve LESLIE who confirmed his earlier statement that HOPKINS stated that he worked for the Federal Government directly under George BUSH. LESLIE told me that HOPKINS stated that he was doing drug stings in Louisiana and was en route to Dorris to pick up a team of agents to process a meth lab. HOPKINS also claimed to doing "Operations" in Afghanistan.

I spoke to Glen JOHNSON who is a local firefighter who was also on scene. Glen JOHNSON told me that he arrived at the gas station and was speaking with the gas attendant. JOHNSON observed that the subject identified as Larry HOPKINS was acting "suspiciously." JOHNSON stated that he stayed on scene for several minutes to make sure everything was okay. When he went to drive past the vehicle he saw HOPKINS standing in the doorway of the truck holding a revolver. JOHNSON told me that he saw HOPKINS put the revolver in the pickup behind the seat.

I told Deputy BRYANT that I had confirmed that Larry HOPKINS was in possession of a firearm.

Deputy BRYANT gained permission to search Larry HOPKINS' vehicle for the firearm. Deputy BRYANT handed me a piece of paper he had located inside of the vehicle containing information about a subject on scene that Larry HOPKINS had written down. I observed that the piece of paper had all personal contact information for [REDACTED].

I contacted a group of juveniles on scene and asked if [REDACTED] was there. A white female raised her hand and said "I'm [REDACTED]." [REDACTED] told me that Larry HOPKINS had told her that he is a fugitive bounty hunter and a police officer. [REDACTED] told me that HOPKINS stated he was going to a meth lab in Dorris to process it and then going with other agents to Reno. Hailey [REDACTED] told me that she saw Larry HOPKINS showing other juveniles guns out of his vehicle. I asked [REDACTED] if she believed Larry HOPKINS was a police officer. She replied "Yes." I asked [REDACTED] why she had given Larry HOPKINS all of her personal information including her Social Security number. [REDACTED] told me that she believed HOPKINS was telling her the truth and she wanted HOPKINS to help her get a job as a bounty hunter.

[REDACTED] told me that HOPKINS also had a badge in his wallet that looked like a police officer's badge.

I contacted Larry HOPKINS who showed me his badge wallet which contained a star style badge which was gold in color and similar in appearance to a police officer's badge. The badge read "Fugitive Recovery Agent." I observed that the badge on HOPKINS' shirt read "Special Agent."

Deputy BRYANT informed me that he had located two firearms in the rear of the vehicle as well as an object that appeared to be a long black flashlight. I observed the two firearms a Ruger Blackhawk pistol, caliber 30 carbine and a Winchester Model 94 lever action rifle caliber 30.30. Deputy BRYANT told me that Larry HOPKINS stated that the flashlight was actually a "Taser." I observed that the object appeared to be a flashlight but it was a flashlight disguised as a stun device. I observed that the flashlight could be turned on

with the flick of a button and when the button was pushed in the opposite direction it began popping with visible electrical currents similar to a police officer's Taser.

Deputy BRYANT told me that he had located two boxes of ammunition for both the 30.30 rifle and the revolver on the front seat of the pickup.

I function tested the firearms and based upon my training and experience found that the firearms were functional and capable of firing a projectile.

I contacted Dispatch via telephone to check Larry HOPKINS' criminal history. Dispatch told me that Larry HOPKINS was a convicted felon.

At 1848 hours I placed Larry HOPKINS under arrest for Felon in Possession of a Firearm and Impersonation of a Police Officer. I placed Larry HOPKINS in handcuffs behind his back, checked them for tightness and double locked and placed him in the rear seat of my patrol vehicle.

I seized the firearms, the stun gun, the ammunition and both of Larry HOPKINS' badges and placed them in the trunk of my patrol vehicle. I transported Larry HOPKINS to the Klamath County Jail without further incident where he was lodged on Felon in Possession of a Firearm times two and Impersonation of a Police Officer. I later returned to the Klamath County Sheriff's Office where I entered all items seized into evidence locker A.

**ACTION REQUESTED:** Please forward this report to the Klamath County District Attorney's Office for consideration of prosecution.

**INVESTIGATION:**

On Sunday, 11-05-06, Deputy DANIEL and I were dispatched to respond to the Keno Gas Station and Grocery Store regarding an individual who was reporting himself to be a police officer who was showing individuals firearms.

I arrived on scene first and contacted an individual who identified himself as Larry Mitchell HOPKINS, date of birth [REDACTED] Mr. HOPKINS identified himself with a birth certificate and a photocopy of his revoked Oregon driver's license. Larry HOPKINS was wearing a black uniform style shirt with a badge over his left breast. He also had numerous medals over his right breast on his shirt.

I asked Larry HOPKINS what he was up to and he said that he had been talking to the kids at the store showing them some guns and talking to them about fugitive hunting. Larry HOPKINS said that he was a bounty hunter.

I then asked Larry HOPKINS if he had any weapons in the vehicle and he said yes that he had a 30.30 lever action rifle and a 30-carbine pistol. Mr. HOPKINS then offered that he was a convict and that he was not supposed to have the weapons.

I asked Mr. HOPKINS if I could search his vehicle and he said yes. Mr. HOPKINS allowed me to search his Ford duele pickup and I found on the driver's seat in plain view a box of 30-carbine shells and in the glove box a box of 30.30 shells. Behind the seat I found a 30-carbine pistol as well as a 30.30 lever action rifle. I also found behind the seat a Taser and flashlight combination.

I then recontacted Larry HOPKINS while Deputy DANIEL interviewed the witnesses at the scene. Please refer to Deputy DANIEL's report.

Deputy DANIEL then ran Larry HOPKINS' information through Dispatch and was advised that he had numerous felony convictions. I then placed Mr. HOPKINS under arrest for Felon in Possession of a Firearm and placed him in the back of Deputy DANIEL's patrol vehicle.

I then read Mr. HOPKINS his Miranda Warning at 1808 hours to which when I asked if he understood he said "Yep." Mr. HOPKINS said that the guns that were in the vehicle belonged to a Terrance NESS who was one of his coworkers in the bounty hunting field. Mr. HOPKINS said that he did have possession of the weapons however and that was his truck.

Mr. HOPKINS said that he was showing the kids the 30.30, the Taser and the pistol and telling them about bounty hunting and showing the kids different types of weapons.

Larry HOPKINS was then transported by Deputy DANIEL to the Klamath County Jail.
