Subject: Additional Information Needed

[EXTERNAL EMAIL]

Dear Mr. Hughes:

SBA is working your eight FOIA requests. In each request you have included certain identifying information such as the Solicitation number. However, In order to locate the files more information is needed. Could you provide the dates so that the databases searched may be narrowed. Any other identifying information that would aid in searching for these records would be appreciated. I also left a voicemail for you repeating this request.

Thank you for your assistance in this matter.

Sincerely,

Carol J. Hulme
