

18 For budget purposes, please provide an estimated cost of your voting system solution, including hardware, software, any necessary licenses, peripherals, implementation, decommissioning, training, and maintenance.

Answer:

Smartmatic’s prices are provided and based on a range which is dependent on quantities of product/services and/or configuration required.

The following are estimated costs for budgetary purposes – subject to change based on State’s actual identified needs and requirements:

Equipment & SW (voting machines, peripheral HW, electronic pollbooks, election night reporting, EMS, licenses)	\$120M to \$150M
Services & warranties (decommissioning, implementation, training & maintenance)	\$31M to \$37M
