Subject: FOIA Request OS-2019-00199 Status Update

Ms. Madden,

The Florida office has confirmed today that they are working on searching for records for your request OS-2019-00199. We would recommend you try to be patient and maybe wait a month before checking in with us again, as there is not likely to be much of a good update we here in OS FOIA can give you before then. We apologize for the slow response times.

Thanks,
Emily
