We do not have any files or reports in reference to this case; this is a City of Atlanta Police Department missing person case. The female lived in City of Atlanta when she went missing in 2016 and the report was made where the female lived. I spoke to the Sargeant in the missing persons unit at APD, which was supervising this Detective assigned to this case and the case # 16-0721563. I personally know the detective that is assigned to this case which is Det. Golphin and he will do all he can to locate this female. In closing, the case is still active and ongoing.
