Biden-inspired curb on Fla. busing angers HEW

By PATRICK O'ROURKE
Washington news
WASHINGTON — In a warm Tuesday night last June, Sen. Joe Biden Jr. stood on the Senate floor and in some of the most eloquent words he ever used argued for an anti-busing amendment...

legislate its constitutionality the day the amendment was passed. It is considered by David S. Fine, HEW's chief civil rights officer, as an unconstitutional interference with this department's constitutional responsibility...

"Children concerning racial isolation is punished in and a requirement is printed out that each school must reflect the racial balance of the entire school district...

The first place HEW tried to apply Biden's law was in Kansas City, Mo., where desegregation had reached an impasse. The city of Kansas City is represented by Eugene B. Sisk...
