Dear Jennie Santos-Bourne

The U.S. Customs and Border Protection (CBP) Freedom of Information Act (FOIA) Division received your letter inquiring about a FOIA request that you previously submitted to CBP reference FOIA number CBP-2017-033315.

This letter is to confirm that your FOIA request has been received by CBP and will be processed in the order it was received. Once responsive records are available, you will be notified electronically by CBP FOIA that records are available to view via your FOIAonline account. The estimated date of completion will be April 10th.

Finally, the CBP FOIA office has a significant backlog of FOIA requests. We are working very hard to clear the FOIA backlog and we thank you in advance for your cooperation.

CBP FOIA Division
