**Subject:** FW: Water Filter Install: Esperanza

**Importance:** High

Tiffany,

Several of the water fountains with the new filtrations systems have either very little or no water pressure. Please send me the contact for the company that installed the equipment.

Thanks,

Kendrick D. Miller, MBA

Sure,

You should be able to use your AMEX to order them and if you need them picked up let us know.

Thanks,

Ken

Nicole,

Please be advised, during the week of Sept. 30-31 KSK Mechanical will be on campus to install filters on the water fountains. They'll be onsite around 8:30 am. Please advise if this time and date will work for you.

Thanks,

Ken

**Subject:** Water Filter Install: Esperanza

Choice Team,

This week we are kicking off the initial phase of water filter installs and we plan to install filters on the water fountains at Esperanza on **Sept 30-31**. KSK Mechanical will manage the installation and will report on site at 8:30 am on the 28<sup>th</sup>. We've asked that they check-in at the front desk upon arriving. KSK will NOT need to shut off water or enter classrooms during this process. If these dates change for any reason I will reach out. Please let me know if you have any questions.

Best,

**Tiffany Delcour**
