Stephanie,

We currently have 4 requests pending from you all related to NDA 209128 (2019-2157, 2019-2313, 2019-2314 and 2019-1924). We anticipate that your requests will take at least 24 months before they rise to the top of the queue. It could be shorter for 2019-2314. That was the request seeking clinical trial complaints. My best guess on that one would be 6-10 months. It depends on the complexity of other requests ahead of yours. Thanks.
