Subject: FOIA Request Letter

Thank you for filing your FOIA request online on 2/17/2018. Here is a review of your request.

The records I request can be described as follows:

Since 1994, the Secretary of State has held statutory authority to determine that the publication of an international agreement in "United States Treaties and Other International Agreements" (TIAS) is not required if "the public disclosure of the text of the agreement would, in the opinion of the President, be prejudicial to the national security of the United States." 1 U.S.C. 112a(b)(2)(D). Given the language of the statute, I do *not* request the *text* of agreements withheld under Section 112a(b)(2)(D). I do, however, request all documentation pertaining to agreements withheld from publication under Section 112a(b)(2)(D) that is not exempt from disclosure under the Freedom of Information Act, including any reports or other materials showing the annual number of agreements withheld since April of 1994, the foreign state parties to those agreements, and the general subject matter they address.

The time period of my request is from 05/01/1994 to 02/01/2018

I am affiliated with an educational or noncommercial scientific institution seeking information for a scholarly or scientific purpose and not for commercial use.
Additional documentation will be required.

I am willing to pay \$1000 for my request.

I request a waiver of all fees for this request.

Reason: I seek the requested information as a law school professor and exclusively for the purpose of academic research.
