

Good afternoon Mr. Tobias,

Our FOIA office received your FOIA request, dated October 11, 2018 and assigned it control number 2019-00051. Please cite this number in any future communications with our office regarding your request.

In your request you asked for the following:

"I am seeking records that were transmitted to Brian Steed and/or Daniel Jorjani by employees at the Florida-based lobbying firm Ballard Partners and that relate to Wisteria Island. Specifically, in an October 2017 email exchange between Ballard Partners' Dan McFaul, Daniel Jorjani and Brian Steed, Mr. McFaul mentions "a package" of documents his firm was preparing to transmit to Jorjani and Steed regarding Wisteria Island. I would like a copy of the "package" referenced in the email exchange."

We have classified you as a representative of the news media. As such, we may charge you for some of our duplication costs, but we will not charge you for our search or review costs; you also are entitled to up to 100 pages of photocopies (or an equivalent volume) for free. See 43 C.F.R. § 2.39. If, after taking into consideration your fee category entitlements, our processing costs are less than \$50.00, we will not bill you because the cost of collection would be greater than the fee collected. See 43 C.F.R. § 2.49(a)(1). We do not anticipate any charges for the cost of processing this request.

We use Multitrack Processing to process FOIA requests. The Simple track is for requests that can be processed in one to five workdays. The Normal track is for requests that can be processed in six to twenty workdays. The Complex track is for requests that can be processed in twenty-one to sixty workdays. The Exceptional/Voluminous track is for requests requiring more than sixty workdays for processing. The Expedited track is for requests that have been granted expedited processing. Within each track, requests are usually processed on a first-in, first-out basis.

This request falls into the *Complex* track.
