Re: Freedom of Information Act Request

To Whom It May Concern:

On behalf of client, Tim Blixseth, Rogers Joseph O'Donnell, PC makes this request for the records described below pursuant to the Freedom of Information Act, 5 U.S.C. § 552.

We request that you adhere to the time limitations set forth in 5 U.S.C. § 552(a)(6)(A). We also ask that you forward information related to any individual request without waiting until all records are located (i.e., please provide records on a rolling basis). If you determine that a record contains material exempt from disclosure, please review it for possible discretionary disclosure. In addition, we request that you produce any and all segregable portions of the record in question. Please notify me when responsive records are either furnished or specifically identified and denied for release. If no records exist for any request, please provide written confirmation of same.

We further request that, pursuant to 5 U.S.C. § 552(a)(3)(B), your agency produce responsive documents in the native electronic format in which the document was created. To the extent that your agency is unable to produce the responsive documents in the requested format, we request that your agency confirm that the record does not exist in native format and produce the documents in the following format, listed in accordance with our preference: 1) PDF format; or 2) paper copy. While the burden is on the government to produce all documents within the required time period, we are willing to discuss and agree upon the means and sequence of production to facilitate government compliance with the law.

To the extent that you determine that any subject document will not be disclosed because it meets any of the criteria in the FOIA for nondisclosure, you are requested to identify such documents in accordance with the requirements of *Vaughn v. Rosen*, 523 F.2d 1136 (D.C. Cir. 1975). To the extent that you determine that any subject document will not be disclosed because it is classified in accordance with document classification procedures of your Department,
