

UNITED STATES COURT OF APPEALS FOR THE THIRD CIRCUIT

No. 19-2753

In re: National Football League Retired Players' Concussion Injury Litigation  
(E.D. Pa. No. 2-12-md-02323)

**ORDER**

Appellant seeks review of the District Court's order entered July 2, 2019, denying an objection to a finding by the Special Master that Appellant was not entitled to a claim award. Given this, all parties must file, within fourteen (14) days of the date of this order, written responses addressing this Court's authority to review the District Court's order.

For the Court,
