To Whom It May Concern:

The Department of Public Safety, Nevada Threat Analysis Center (NTAC) is authorized, pursuant to NRS 481.063, to disseminate Nevada Driver's License photographs to out of state law enforcement agencies and other criminal justice agencies for law enforcement purposes only.

The NTAC is required, pursuant to NRS 481.063, to keep and maintain a record of each person/law enforcement entity to whom the photograph is provided and the purpose for which the person/law enforcement entity will use the photograph. Pursuant to the same statute, this record must be maintained for a period of five (5) years from the date of dissemination. The DMV requests the NTAC label each photograph with the following instruction: "This Nevada Driver's License photograph is to be used for law enforcement purposes only. Use of a Nevada Driver's License photograph for any other purpose is prohibited and constitutes a criminal offense."

Sincerely,

A handwritten signature in black ink that reads 'Terri Albertson'. The signature is fluid and cursive, with the first name 'Terri' being more prominent than the last name 'Albertson'.
