Dallas and Joe:

Pursuant to our prior discussions regarding the above-referenced FOIA request, and in the interest of expeditiously obtaining responsive documents from the agency, my client is willing to limit the scope of Request No. 3 to pre-award communications. Accordingly, the request will be revised as follows:

All pre-contract award communications with Fleet Vehicle Source, Inc. dba US Fleet Source, including its agents, officers, and/or employees re: Solicitation No. QMAA-F6-170011-D; Contract Award No. GS-30F-HA007.

My understanding is that the award date for Contract Award No. GS-30F-HA007 is September 28, 2017. Therefore, responsive communications should be provided up to and including that date. Please provide me with clarification if this is incorrect.

By revising this request, RP Automotive Group, Inc. d/b/a SoCal Penske Dealer Group reserves all rights to seek any and all communications that would be subject to disclosure under the Freedom of Information Act, including but not limited to post-contract award communications related to Solicitation No. QMAA-F6-170011-D; Contract Award No. GS-30F-HA007.

Concerning Request No. 6, has the GSA determined if there were any other RFP responses submitted by or on behalf of US Fleet Source during the relevant time period?

Please call me if you wish to discuss further.

Sincerely,

Christopher Conti
