- Your **mother and father's** naturalization certificate as evidence of his/her U.S. citizenship. **Note: All documents requested must be original or certified. Photocopies are not acceptable.**

IN ADDITION, please also submit the following:

Photocopies are not acceptable.**

ALSO,

- Your parents' marriage certificate.

If the marriage certificate is not in English, please submit an English translation of your document. The translation cannot be performed by yourself or a family member and must include the name, address, and telephone number of the organization or individual who translated the document. The translator must also include a statement certifying that he or she is fluent in both English and the original document's language and that the translation is complete and correct. Please resubmit the original document(s) with the translation. **Note: All documents requested must be original or certified. Photocopies are not acceptable.**

To assist with processing your application, we must receive the requested information **within ninety (90) days of the date shown on this letter.** If the information is not received or is insufficient to establish your entitlement to a U.S. passport, your application may be denied and your citizenship evidence will be returned.
