**Re: Expedited Freedom of Information Act Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of the Department of Education (Education), 34 C.F.R. Part 5, American Oversight makes the following request for records.

President Trump recently announced his intent to nominate Steven Menashi, the Department of Education's former acting General Counsel, to the U.S. Court of Appeals for the Second Circuit.<sup>1</sup> Before Mr. Menashi was the department's head lawyer, he was the Deputy Counsel for Postsecondary Education. As Mr. Menashi has been nominated to serve a lifetime term on the federal bench, there is an urgent need to reveal any communications with the potential to inform his confirmation process, for both the representatives with the authority to confirm and the constituents they represent.

American Oversight seeks records with the potential to shed light on Mr. Menashi's activities and communications during his tenure at Education.

**Requested Records**

American Oversight seeks expedited review of this request for the reasons identified below and requests that Education produce the following records as soon as practicable, and at least within twenty business days:

All email communications (including email messages, complete email chains, email attachments, calendar invitations, and attachments thereto) between (1) former General Counsel Steven Menashi or any person communicating on his behalf, such as schedulers or assistants, and (2) any of the individuals or entities listed below:

- a. Stephen Miller ([stephen.miller@who.eop.gov](mailto:stephen.miller@who.eop.gov))
- b. Robert Gabriel ([robert.gabriel@who.eop.gov](mailto:robert.gabriel@who.eop.gov))
- c. Jennifer Cytryn ([Jennifer.cytryn@who.eop.gov](mailto:Jennifer.cytryn@who.eop.gov))
- d. McLaurine Klingler (including but not limited to the email address [mclaurine.klingler@who.eop.gov](mailto:mclaurine.klingler@who.eop.gov))

Please provide all responsive records from May 24, 2017 to May 1, 2018.

### **Fee Waiver Request**

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is "in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government."<sup>2</sup> As Mr. Menashi's nomination process moves forward, the public has a significant interest in understanding Mr. Menashi's former activities at Education, including the types of communications he had while serving as acting general counsel and Postsecondary deputy counsel, as well as understanding whether a former Education official has complied with ethical requirements. Recent reporting has shed light on Mr. Menashi's former written opinions on a variety of social and political issues that raise questions about his activities while at the Department.<sup>3</sup> Records with the potential to shed light on this matter would contribute

American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>4</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>5</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through numerous substantive analyses posted to its website.<sup>6</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department's process for issuing such waivers;<sup>7</sup> posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the administration's proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;<sup>8</sup> posting

Accordingly, American Oversight qualifies for a fee waiver.

### **Application for Expedited Processing**

Pursuant to 5 U.S.C. § 552(a)(6)(E)(1) and 34 C.F.R. § 5.21(i)(2)(i)(B), American Oversight requests that your agency expedite the processing of this request.

I certify to be true and correct to the best of my knowledge and belief that the information requested is urgently needed in order to inform the public concerning actual or alleged government activity. President Trump recently nominated former acting General Counsel Steven Menashi to the Second Circuit of the U.S Court of Appeals.<sup>12</sup> As Mr. Menashi has been nominated to serve a lifetime term on the federal bench, there is an urgent need to reveal communications with external parties and about pertinent matters Mr. Menashi worked on while serving at Education, including if he complied with his ethical requirements. The American public has a substantial and urgent interest in understanding Mr. Menashi's activities and decisions at Education as the confirmation process advances.<sup>13</sup>

Moreover, I certify to be true and correct to the best of my knowledge and belief that there is an urgent need to inform the public about Mr. Menashi's communications and activities while serving as a top lawyer for Education. There has been intense public interest in and concern about Mr. Menashi's previous opinions, and the American people need access to this information with sufficient time to advocate for their elected representatives to move forward with Mr. Menashi's nomination or to withdraw that support or reject his nomination to the Second Circuit.

I further certify that American Oversight is primarily engaged in disseminating information to the public. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. Similar to other organizations that have been found to satisfy the criteria necessary to qualify for expedition,<sup>14</sup> American Oversight "gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw material into a distinct work, and distributes that work to an audience."<sup>15</sup> American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, and other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>16</sup> As discussed previously, American Oversight has demonstrated its commitment to the public disclosure of documents and creation of editorial content.<sup>17</sup>

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks "communications," please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.<sup>18</sup> It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.<sup>19</sup>
- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,<sup>20</sup> and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please
