Good Afternoon Ms. Johnson,

Per our initial FOIA request, submitted on July 2, 2019 (attached), RCM is requesting:

1. The Internet Protocol (IP) Address used to access beta.sam.gov and submit feedback purporting to be from RCM Solutions owner and employee(s). The feedback/comments were brought to the undersigned's attention on May 23, 2019 by Sonya Pearrell, a GSA employee. To assist with the location of the requested information, I have enclosed correspondence I sent to GSA on June 21, 2019, which identifies persons who will have the requested information. At a minimum, the people with the information include, Matthew R. McGuire, Director, Office of the Assistant CIO Acquisition IT; Vicky Niblett, Deputy Assistant Commissioner, Integrated Award Environment and Sonya Pearrell.

And

2. All information gathered by or created by GSA pertaining to the comments submitted on beta.sam.gov, addressed in No. 1, above.

Specifically to #2, if GSA has identified the person that made the comments, we request that information in addition to any other pertinent information.

In regards to the removal of the comments, I am aware that is not a FOIA matter but would expect the Agency to already have deleted those, knowing they were fraudulent. I should add that I would also expect the Agency to preserve the comments even after being deleted, as they are evidence of wrongdoing.

Please let me know if you need any further clarifications.

Ron

Good afternoon, Mr. Martin:

Our agency is in receipt of your FOIA appeal regarding comments submitted to [beta.sam.gov](https://beta.sam.gov).

For clarification:

1. Are you seeking the IP address(es) for the individual(s) purporting to represent you and your business on [beta.sam.gov](https://beta.sam.gov)?

2. Or are seeking for the removal/deletion of the [beta.sam.gov](https://beta.sam.gov) comments that were written by an individual purporting to be a representative of you or your business?

Thank you,

Naisha Johnson
