Fellow Memphians,

Everywhere I go-whether it's to speak at a luncheon, neighborhood event, or a trip to the grocery store-I am constantly talking about the momentum we are feeling. With nearly \$15 billion in recent, current, and planned development and nearly 18,000 more Memphians employed since 2016, the statement that "Memphis has Momentum" is undeniable. As we move forward, I am filled with optimism and excitement for the future of our City.

As I stated earlier, Memphis has momentum, but we still have much work to do. I look forward to working with each and every one of our citizens to continue this progress in the future.

Sincerely

A handwritten signature in red ink, appearing to read "Jim", is written over a white background.

Mayor's Achievements

- Launched City funding of Pre-Kindergarten, allowing the community to provide universal, needs-based Pre-K for the first time.
- Continuing the long-term work of rebuilding MPD with our first net annual gain of officers in seven years.
- Made summer and spring break camps free at all community centers introduced staffed summer play at parks, and continued the increase in library program attendance.
- Increased youth summer jobs to 1,500 - the second increase since the mayor took office.
- Increased street paving funds to roughly double of our spending just four years ago.
- Secured the return of the COGIC Holy Convocation.
- Continued work on strategies to attract and retain jobs. Since taking office in 2016, 18,000 more Memphians are working and the unemployment rate is 4.3 percent.
- Earned state approval for major developments, such as a youth sports complex at the Fairgrounds, Convention Center renovation and hotel, and the Riverfront - all without using general fund dollars.
- Doubled City spending with minority and women-owned businesses from 12 percent to 24 percent, since 2016.
- Led citywide commemoration of Dr. Martin Luther King Jr. 50 years after his assassination - including formal recognition of the 1968 sanitation workers and the dedication of I AM A MAN Plaza and the MLK Reflection Park.
- Three balanced budgets, no tax increase and upgraded Bond Ratings to AA.
