ICE's response after two follow up emails (text below their response) asking if they had searched Enforcement and Removal Operations (ERO) and if not why, with their response pretty much being "_(`\`)_/"

Greetings,

I just wanted to quickly follow up to check if you could provide any additional information on whether the FOIA search conducted included Enforcement and Removal Operations, and if not, whether it would be possible to conduct a search for ERO for documents requested in our FOIA.

Thank you,
Jake

Greetings,

Thank you for your response to our request. Your response letter indicated that searches for relevant documents were conducted for several offices within ICE, but Enforcement and Removal Operations (ERO) was not listed among them. I wanted to follow up to check if there was any reason for this, and if it would be possible to conduct a search of ERO for documents requested in our FOIA (I've reattached the original request with this email).

Thank you,
Jake
